# Stinson, Edmunds CSTA Leaders 

After accomplishing election of officers last Thursday in Chem istry Lecture Hall, the CSTA immediately turned its energies toward other activities. Harold Heywood turned the president's gavel over to Bob Stinson, while Chase Edmunds, Diablo basketball star, assumed the duties of vice-president.

A new office, that of corresponding secretary, was created to discharge an anticipated increase in duties. Jenny McGowan was selected for this office Fern Niven will be the new recording secretary, while Cliff Hulten took the treasurer's position. CTA delegate will be Arlene Oates. John McDonald was selected as public relations officer.

Representing their respective classes are: Stella Dunn for the graduates; Miriam Crowell and Frankye Riley, seniors; Nadean Canty and Earl Watson, juniors.
Selected by a unanimous vote, Delores Lavery will become secretary of the California Junior Council, which numbers among its members such schools as SC, UCLA, California, San Jose State, Fresno State, and San Diego State. She becomes the second person to represent State College in statewide student teacher activities.
Harold Heywood, the local chapter's first president, gained. recognition for State last June when he was elected Southern Section president of the CSTA. The Southern Section represents all colleges in Southern California.
A dance will figure prominently in the plans of the immediate future with a series of programs of interest to members. Last semester's highly successful "Scarecrow Hop" was the first dance held by a State College organization. This dance also served to form a school orchestra. With more students enrolled in State, it is anticipated that the coming dance should be even more successful. A date has not been set.
Wednesday will replace Thursday as a meeting day in future meetings of the club. Five State College classes meet on Thursdays at three o'clock. On Wednesday, only two, not education classes, meet.
In the next meeting, several members now taking directed teaching will tell of their experiences, emphasizing what is expected. They will also give hints and advice to help others avoid mistakes. Both elementry and secondary levels will be epresented.

## Juniors Discuss Seméster Plans

Junior Class members will hold their second meeting this Friday, April 18 in bungalow 6 at noon. Further plans for future activities will be discussed.
The Juniors now have two big activities on the calendar for the semester, the Spring Swing, junior dance to be held Saturday night April 2 at the Elk's Lodge, 60 So. Park View St. and the all school pienic will take place in May.

The dance is gradually rounding into shape with committees working on all particulars. Betty Engel and her band committee are having a difficult time finding a suitable band. Daphne Pollock has found the place and is currently getting the decorations fixed.
Nathan Zeitlin has gotten in touch with a friend of his and made the arrangements for the printing of bids which will go on sale next week. Harley Lyon has made arrangements with the inter-club council for the sale of bids. Lyons' plan will make it possible for the clubs to make money for their treasury by the sale of bids.

Entertainment is being lined up by ad man Ross Burdick, who is now talking to his friend from Capitol about sending out some of their recording stars to furnish entertainment for the evening.

From the progress that has been made thus far, State Students can be assured that it will be one of the outstanding events of the Spring semester.

## Villiams Takes

 Third in L. B.Long Beach was the scene of State's first crack at the cinderpaths last Saturday. The event was the thirty-first annual SPAAAU Long Beach Relays at Stevens Field.
Williams didn't get into the finals but not because of his ability. He and John Fulton, wearing the colors of the Los Angeles Athletic Club, had identical times in their respective heats but only one would be allowed to participate in the finals. A flip of the coin decided who would run and Williams walked dejectedly to the locker room.
At least Tom Williams showed up-which is more than can be said for the great Lloyd La Beach.
Coach Harry Campbell was well pleased with Williams' showing and believes he will do much better in coming events.
Compton's Bill Fell was first, Ernest Lightner from UCLA second and Albert Mejia from Compton finished third in the 100 finals. The time was 9.8 seconds.
Making people sit up and take notice was the squad from Compton College who won many of the open events.
The day was perfect, the races outstanding, all adding up to an enjoyable afternoon for everyone present but if anyone deserves a hand it's the Long Beach Recreation Commission and Junior Chamber of Commerce for running the events off on time and having few false starts.

Last year's 400 meter champion, Roy Cochran served as official starter and referee of the meet.

## Coordinated Club

## Âctivities Sought

Ray Garcia called the first Inter Club Council meeting on Thursday, March 10, where an officer representative from each campus club stated the purpose of his organization. Only the clubs chartered through ICC will be recognized on campus and each must send two representatives, the president and a non-officer, to the ICC meeta non

Aims of the organization are: avoid conflict of events by having a calendar; further assistance and cooperation between the groups; and encourage students to join in campus activities.
An agenda board, kept by Helen Arnold in Ad. 219, is available to any student who has a problem he wants taken up by the ICC.

The meeting at noon today in Room A of the student union will feature election of officers, nominated from the non-officer group of representatives, and the appointment of committees.

## Education Students

 Meet TomorrowAll education students eligible for a General Elementary Credential in June and interested in teaching in the City of Los Angeles, will meet in Bungalow 32, March 18 at 3 p.m. Mrs. Pfortner of the City Board personnel department will speak to the group, and provide and collect the application forms necessary to permit taking the written examinations which will be held on our campus April 8. Without the application forms and subsequent permits, one will not be allowed to take the examination.

## Spanish Class Plans Valencian Dinner

Dr. Elizabeth Reed's 11 o' clock Spanish class is planning a dinner to be held April 2 at Parker's Grill in Beverly Hills. Purpose of the dinner is to acquaint the students with one of the most Spanish of Spanish dishes, arroz valenciano, or Valencian style rice.
Mrs. Rosalind Hughes, in charge of arrangements, highly recommends the dish.
Site was picked by Robert Teory, student and part time policeman, who claims Parker's is an old favorite with the Beverly Hills gendarmery.

## Committee Named

Senior class prexy, Larry Bordan, named the committee to handle the forthcoming Senior prom.
Members of the committee are Frankye Riley, Lew Kennedy, Clyde Roden, John Candia, Arlene Oates and Harry Earle.
"Graduation Ball" has been designated as theme for the affair.

It might be well for the public relations representatives of some clubs to learn a little tact. This publication is not staffed by perfectionists. We try to be fair in our allotment of space. We are willing to cooperate with everyone. Many stories, which should have been published, have been omitted while others, not so important, have been printed. I should like to apologize profusely for these errors. As has been pointed out several times in this column, we are understaffed.
Kindly reactions, however, are not the usual result of over aggressive tactics. For instance, the other day a club representative came to me complaining that the story which he had submitted had been re-written and cut, with the omission of several important facts. Not only that, but his club had been grossly neglected for several weeks. And to top it all off another organization had been given two stories in the same issue.

May I remind everyone that the editors of this publication reserve the right to cut or re-write any submitted material, and that we also reserve the right to judge the news value of such material. We will not be intimidated by the representatives of any club in making these decisions.
This is the seventh week of the semester. Cabinet appointments were made several weeks ago. Yet the cabinet has met only once. Many of the commissioners do not have the least idea of what job they are supposed to perform.
If some part of student government is not functioning properly, it is the duty of the Executive Council to find out why and to take remedial steps.
On the brighter side many of the cabinet members are doing excellent jobs in their appointed departments. These people should be recognized and applauded by students and faculty alike. Would that we had more like these.

Numerous complaints have come into the newspaper office in regards to the poor circulation system as employed by the College Times. Perhaps if the students were aware of the problem that exists, an explanation would not be necessary.

Then too, there is the problem of having sufficient people to bring the newspaper to the various rooms.
City College has refused us permission to establish distribution boxes. Ardent readers of the College Times will just have to bear with us.

Musical Personalities: We thought our readers (all three of them) would enjoy something different in the column, so we decided to try an interview. Billy Eckstein was chosen as the personality, and was very gracious in granting the interview.
"The first thing I'd like to do," said Billy, "is thank everyone who voted for me in the recent polls. I knew I had many friends among college students, but I never though they would get out and vote. Winning Down Beat, Metronome and Esquire magazine polls was the most wonderful thing that ever happened to me.

Billy Eckstein
When asked what he thought of bop, Eckstein said, "Bop is 'the end.' I use some bop chords in my vocals and they are very effective. Dizzy's is one of my favorite bands, along with Kenton and Herman. 'Caravan', which I think is the best record I've done, was a sort of experiment in the Afro-Cuban vein. It was very successful, and will probably be used more in the future."
Billy opens at the Casbah Club March 15 (instead of the Cricket Club as previously reported). Asked if he'll miss the little gals that sit in the front rows at the Million \$, and rows at the Million \$, and
swoon at such numbers as "Blue swoon at such numbers as "Blue
Moon" and "'m Falling For You," he said, "I certainly, will. They really knock me out."
Billy has a date this week with MGM Records to cut an album of all Ellington tunes, We're sure ybu'll be looking forward to its release with as Al Baron much pleasure as we are.

"PEKING MAN" will be most timely when the drama department presents the western world premiere of this modern Chinese drama. It concerns the decadence of a Chinese family and is of particular significance now that the Chinese nation is on the threshold of a new era. The play is now in rehearsal for its April 26 opening.
"ACRES OF PARADISE" got belly laughs two acts out of three when we witnessed the second performance at the Key Theatre in North Hollywood. Ernest Fegte's modern set was beautifully designed and offered unlimited directorial possibilities. Laslo Vadnay, who co-authored the "Acres" with novelist Louis Bromfield and also directed, did little to develop interesting motivated action. The plot deals with a smooth talking con-man who sells a "Heavenly Ranch" to a wealthy scatterbrained Pasadena widow. Smoki Whitfield's mastery of comedy technique makes him a standout in the cast.

THE CIRCLE THEATRE presents a splendid production of Moliere's "The Doctor in Spite of Himself." Due largely to the capable, flambuoyant playing of John Chawford as the woodcutter turned doctor and a smooth characterization by William Schallert the play, which is centrally staged, adds another feather in the cap of the world-famous Circle Players.
"DEEP ARE THE ROOTS," the controversial drama to be presented soon by our own drama department on campus will also utilize central staging. Chuck Gordon plays the lead.

A number of other bowlers who proved scourges of the lanes were Marcus Todd, Duff Means, and Rube Lopez. Dr. Floyd East wood tried valiantly to overtake Wayne Scott's lead, but couldn't quite make it.
One lane was scorched by State's lady contingent including Orchid Oliver, Sheryl Flacks, Mrs. Floyd Eastwood, and Marie Rosenblatt. While in the adjacent alley, Norma Karns bested futile attempts by Harley Lyon. Also competing with them was Mr. Nixon, of the Phys. Ed. Department.

## New Officers in Accounting Frat.

Forty members of Sigma Ch Alpha, State College account ing fraternity, met last Wednesday, March 9, to elect the remainder of the officers for the spring semester. Assisting Wayne Hanks, president, are Claude Butterfield, vice president, and Kenneth Rowatt, secretary.

A special committee was chosen to work on the club constitution and the dinner meeting was planned for the latter part of this month. Mr. Garver is new co-sponsor for the organization.

## First AWS Board

 Organized at StateFirst meeting of the AWS Board of State College was held Friday, March 11 in Ad. 107. Purpose of the board is to draw up a constitution and to coordinate activities for women students. Tentative plans are being made for a swim meet to be held early in May.

New officers are president, Miriam Andrews; vice-president, Gloria Rinne; secretary, Ruth Taubert; historian, Joy Healy. Representing the various women's organizations on campus are Frankye Riley, senior class; Betty Engel, junior class; Kathy Rowlette, Las Damacitas; Virginia Hronis, Alpha Theta Pi; Meredith Howland, Pitchfork; Ruth Pearce, Women's Page editor; Margaret Lovell, publicity. Dr. Penchef is group sponsor.

## New Greek Letters for Ad Fraternity

State College's ad frat ran into conflict with their name, Alpha Pi Delta, so the name has been changed again. At the regular Monday meeting, Phi Delta was adopted, This is final.
Twenty members and guests with their wives and dates attended "Phi Delt's" picnic last Sunday at Griffith Park. Softball, football and hand badminton were the order of the day.
The frat's first dinner meeting will be held Wednesday, March 23. A prominent advertising man will be guest speaker.
Lew Kennedy is now auditioning bands and other arrangements are made for the "Hucksters Ball." Watch for this dance, sponsored by Phi Delta, Friday, April 29.

## Daphne

A most interesting interview with Miss Simpson, buyer for the debutante department at Saks Fifth Avenue, has left me bubbling with enthusiasm over the Spring fashion trends.
The empire look with its elevated waist and short bodice is the feature attraction, with the interest in necklines spiraling to an all time high in lowness. The shawl collar is still good, adding a new twang by going into a gentle peak in back and dashing to a plunge in front. It is definitely the season of the open neckline, seen mainly in the plunge.
Newcomers in color this year are the yellow to orange tones, ranging from pumpkin, persimmon and toast to clay and coppertoned brown. Your early Spring cottons will have a darker tone, leaving the pastels to the lighter feeling of summer
Irridescent cottons lend new interest as will Lumina and Taffaton. Lumina is a cotton fabric with a non-tarnishable, washable aluminum thread interwoven, while Taffaton gives a new taffeta finish to cottons.
"Rudder back" is the novelty of the season. The back seam from the waist down begins very straight and regular, and all of a sudden it bursts forth in billowing fullness. Length will depend on individual taste and shape, but in general, will be a bit shorter.

There's just loads more, so I'll be back next week with more news from those who set the fashion pace

## Sports-Rec Plan For Volleyball Team <br> With the bowling evening

 now on its way, Sports and Rec. members met last week to discuss further activities. Plans are underway to meet the approval of volleyball enthusiasts as chairman Wayne Scott and as chairman Wrat sponsor Dr. Ear rangements for facilities and competition.
## Dee Van Nest to Represent CAHPER

Dee Van Nest was chosen by CAHPER members Monday, March 7, as their delegate to the state convention in San Francisco. Making the trip during spring vacation, Van Nest will represent the local student chapter by adding his vote to that of the legislature.
