

Diablos Move North

BUSSES TO SANTA BARBARA

Two busses will leave from State College this Saturday afternoon to carry students to the State-Westmont game at Santa Barbara. All students interested in attending the game should make arrangements in Ad. 218. Your student body card will admit you to the game and the bus fare is \$2.25.

College Times

ATTENTION BASEBALL PLAYERS!

Coach Warren Reeves has announced that there will be an important meeting today at 3:30, in Bungalow 1. Anyone interested in playing on this year's team is asked to be present. Only 13 men have signed up, so let's get behind it!

Cooperative Program Moving Ahead

Campus survey to plan student needs

At two recent conferences with President McDonald it was learned that steps towards building the cooperative program are being taken.

The president stressed the necessity of moving slowly. Last week he met with the paint manufacturers committee. It was their recommendation that the two year program be improved upon first. Then the move into a four year program would be more assured of success.

There will be a survey of students on campus now employed in fields which they may later go into. The idea is to find out student needs and be of service.

President McDonald emphasized the importance of serving the needs in this area, implying that we will not necessarily follow the patterns of Antioch or Drexel Colleges.

The president has called a dinner meeting next week with

DR. McDONALD

sixty-five leading men in industry and business. Their reactions will be studied and Dr. McDonald assures us that "when the program gets under way no stone will be left unturned."

S B card payment must be made

Students owing money to the Student Body for purchase of activity cards during the registration week of February 1 through 5 are requested to make full payments to the Associated Students of LASC at the earliest date and no later than March 15 in room 219 with correspondence addressed to the treasurer, Mr. J. F. Fishel.

Pitchfork issues final schedule

Organizations desiring pages in the *Pitchfork* must file applications by February 19. This will be the last date which they will be accepted.

At this time every club will also be required to submit the names of all members, noting which are graduating seniors, a short write-up containing the purpose, activities, officers and a design of the organization's pin. It is also recommended appointments for activities pictures be made immediately with the annual photographers.

Individual pictures of club members will be scheduled Feb. 27 and 28. These will be set by the organizations, and it will be their responsibility to see that appointments are met. At this time any graduating senior who has not had his picture taken must do so, as this will be your last chance.

This will be the second edition of the *Pitchfork* and although the first one was exceptionally successful, plans for the 1950 copy show much improvement.

The book sells for \$3.50 and will be distributed in June.

TALENT SEARCH

The Mr. and Miss Collegiate show, sponsored by Fox West Coast Theatres, presents State College Feb. 24 at the Belmont Theatre. The five best acts from the school will be presented. Each act will be eligible for the title of Mr. or Miss Collegiate to be selected later at Grauman's Chinese.

Talented people interested may audition in B2 today and tomorrow from 12 to 3 p.m.

Delaplane new grad prexy

The Graduate Class announced that George F. Delaplane was elected class president at its recent elections. Ed Abramson was elected vice-president and Mary Harris was retained as secretary-treasurer. The post of public relations director went to Tony O'Tousa. Marian Crowell and Abe Green-

GEORGE DELAPLANE

baum, co-chairmen of the entertainment committee said that three major social activities are scheduled for this semester, including a dinner, picnic and a ball.

The Graduate Class, through George Delaplane, is arranging for a series of lectures as well as meetings and forums in conjunction with the Graduate Clubs of other colleges and universities in the county.

College Times adds column

College Times has added a new column which it is anticipated will be of interest to all students.

This article will be found on page 3 every week with its sole purpose to inform students of the problems and happenings in the major professional fields on campus.

Writing for the education field will be Sasha Gilien.

The business department has not as yet come through with a writer. This is an appeal to the business students to select some interested student to write their news.

Locals tangle with Westmont Quintet

Once again Coach Dr. John W. Shaw's State quintet shoves off for Santa Barbara this weekend to engage Westmont College on Saturday night. This will be the first meeting between the two schools. The Westmont-State battle will be part of a double header program. The other game will be between San Jose State Spartans and Santa Barbara State Gauchos. State will play the first game of the doubleheader.

Intramural track meet held soon

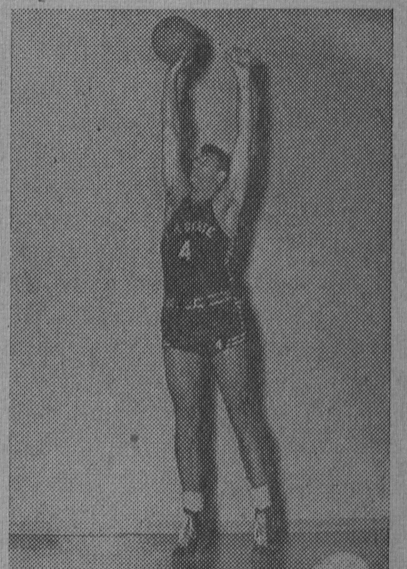

State College's first intramural track meet will take place on February 17, at 3:00 p.m., on Snyder field, it was announced by Coach Harry Campbell early this week.

Mr. Campbell stated that athletes under any status whatsoever are eligible to enter. This includes all lettermen, club members, and anyone else wishing to put in an appearance. The main purpose of the meet is designed to pick out prospective point getters for the coming track season which commences on Saturday at 10:00 p.m., Patterson field, against Occidental.

The events to be contested will be the 100 and 220 yard dashes, the 440 yard dash, 880 yard run, and mile and two mile jaunts and the high and low hurdles. The field events included are the discus, javelin, shot put, broad jump, high jump and pole vault.

This is a good chance for you athletic minded guys to get out and see just what you are capable of doing.

Coach Dave Paynter's casaba cagers lost to Ventura JC 60-36; Taylor University of Upland, Indiana, Pasadena Nazarene 64-43; Cal Poly of San Dimas 46-41, and last week lost to La Verne College 54-46. Westmont scored but 12 points in the first half but outscored La Verne in the second to no avail. They did the same with Cal Poly also.

DICK GREEN

In view of these facts the State team should rule as the pre-game favorites as a result of their Santa Barbara and La Verne victories, but one can never tell in a game. That's what makes basketball the game that it is.

Students to vote on art exhibit

State College students are asked by Sigma Alpha Gamma, art society, to cast their two votes in the Art Exhibit this Friday, located in the State College Library.

A single vote will be cast for one of five art contributions selected by the judges. The other vote will be for one of the remaining unjudged contributions.

ORIENTATION PROGRAM

The Blue Key fraternity at State College will present the fourth semi-annual orientation program in the auditorium February 16 at 1:00 p.m. Classes will be dismissed so that all students may attend.

Sarah Vaughan, top vocalist in the country, will be guest star. The program will be interspersed with information important to all State College students.

Larry Bordan

Howdy! *College Times* takes pleasure in welcoming you, the new. May your stay in our school hold every joy of college life. May I urge every student to feel at home. You will find at State an atmosphere of friendliness and open arms to all who wish to participate in the various campus activities. As for the *College Times*, there is always a place for you. The more students we have on our staff the better we like it. If there is no job, we can create one. You will find that all student leaders will go overboard in promoting greater participation from all students.

College Times policy is simple. Our purpose is to serve the students. We print any and all news, as long as it's respectable. Editorials, as in all newspapers, reflect the thoughts of the individual writer. The staff will do everything in their power to foster a spirit of cooperation between the two colleges on this campus. We will aim towards keeping local politics as concerns this institution out of our paper, except those agreed upon when the editor of the Collegian, their advisor, our advisor, myself and president McDonald meet every week.

I do not believe it the duty of a college publication to carry on a political harangue for politicians who may or may not be concerned with the best interests of the students.

I think that in summing things up *College Times* stands for truth and service to the students who are our publishers. In the two years I have worked on this paper I cannot find one thing wrehe there was variance from truth. I am sure we will do as well this semester.

Bob Miner

In an effort to increase the editorial coverage of the *College Times*, a board of writers has been organized. This group, at present, consists of Larry Bordan, Paul Ludford and myself. Perhaps the number of members will be increased later in the semester.

Subjects to be discussed will be many and varied, depending on needs at the time. Parking, library facilities, curriculum, student government, activities, and allied matters will come in for their share of discussion.

If at any time our readers feel that we are giving inadequate space to a particular topic, we will be happy to hear their suggestions. We are constantly trying to improve the quality of and interest in this publication. With your aid, we can accomplish our purpose.

Being vice-president of the student body, it is necessary for me to avoid writing about controversial subjects coming before the executive council. However, an outline of the executive branch of the student body government might prove interesting.

The cabinet, in theory, is the executive branch. The members, known as commissioners, are responsible to the vice-president. Each commissioner is responsible for some phase of student activities. Each is supposed to be an expert in his field.

Thus for, however, this group has not been utilized effectively. The executive council has frequently ignored the advice of the commissioners, or failed to get any opinion from this group.

If the students of State College are to have the well organized and successful activities which are so badly needed, the cabinet must be used to the purpose for which it is intended. It must become an effectively functioning body composed of individuals respected for their diligence and knowledge in their respective fields.

Paul Ludford

The orientation program which will be presented in the auditorium next Thursday at 1:00 holds in store a great deal of valuable information for all students.

This semi-annual affair, presented by the Blue Key Fraternity, has as its prime purpose the getting together of students and the acquaintance of same with their government.

In the line of entertainment there is always a full hour's worth of laughs and good solid fun. The show next week should be exceptionally good with the appearance of guest star Sarah Vaughan.

All students are urged to attend the orientation day program.

Monday, February 13 is a legal holiday —

No School!

Tate registers in chow line

It was a long registration line average LASC student Angelus S. Tate joined last week.

The "scholar" was well prepared for the occasion, having his arms filled with ink, pens, registration cards and his lunch.

He glanced at the shockproof, waterproof, and windproof watch. Two hours had drearily passed, the seconds ticked off.

Tate said to the student in front of him, "Are you still there?"

There was no reply.

Sweat poured down his cheeks—as the line moved a little—backward.

He remembered his happy days when he was a Junior, and did not have to count away the time.

Finally a cheer arose from the crowd. All veterans should report to the Ad building for their cards. Tate, everyone said, was a veteran of the Civil War; actually he wasn't that old. It was the Spanish-American instead.

Angelus galloped over the the new destination at top speed.

He was immediately surprised at the rapid pace the new line moved, and was pleased with the efficiency of operation the registration program was now going.

It was then that he heard the unexpected news.

Tate had joined the cafeteria line.

He just gasped with amazement, and slowly left.

Pulitzer prize play will open spring drama season

Center Stage

by Sam Sebbby

"THEY KNEW WHAT THEY WANTED" begins on our campus spring theatre season. Sidney Howard's Pulitzer prize play was first produced by the Theatre Guild in 1924. It has been hailed through the years as a work of tremendous stature. Set in a Napa vineyard the savory drama entangles the emotions of two men and a woman. Mr. Howard's sympathetic handling brings to the stage some of the warmest characters ever created. Stan Frazer has been cast as Tony, the role made famous on the screen by Charles Laughton. We're looking forward, also, to the characterizations of Joan Geringer as Amy, and Jim Connell, who plays the role of Joe. This campus offering opens Feb. 15 and plays through the 17th at 2:30 p.m., then at 8:30 p.m. from Feb. 16 through the 18th.

"THE FABULOUS INVALID," opening play at the new Century Theatre on La Cienega was extremely interesting. Although paced poorly, the Hart-

Kaufman story did spot up some lively scenes. The audience response was extra strong on certain "Vignette scenes." The Ed Wynn blackout turned out to be hilarious. Maria Palmer, and Charles Victor carried their acting chores well. But, a few stellar actors never make a production smooth and this one was bumpy. What the production lacked in unity the sixty cast members made up in vitality. At least, that is a step in the right direction. The Century Theatre group has a fine new theatre and a bright future. We wish them all the luck in the world.

Cornelia Otis Skinner, looking and acting as beautiful as ever, walked away with new honors after presenting "The Loves of Charles II" to a packed house at the Philharmonic Auditorium last Saturday night. She opened her solo-dramatic evening with several delightful modern sketches. The last half of the evening was devoted to her self styled, self written interpretations of "Charles' loves." Her portrayal of Nell Gwyn was given more importance than the rest.

Words About Music

by

Ross Burdick

Stan Kenton, whom many regard as one of the most musically influential persons in jazz, thinks jazz of the past is finished. "The public wants and deserves something new and fresh. The only way to progress is to try and establish the link between modern legitimate music and jazz. That's what we're trying to do. We want to open a new and unlimited field in American music."

Stan Kenton being interviewed by Ross Burdick

Stan's new 39-piece orchestra starts on an 84 city tour soon to bring their "Innovations in Modern Music for 1950" to the public. Instrumentation of the band is five trumpets, five trombones, five saxes, two French horns, tuba, ten violins, three violas, three cellos, bass,

guitar, drums and conga. June Christy will handle vocals.

Other well known musicians returning to the Kenton fold are Buddy Childers, Chico Alvarez, Bart Varsalona, Bill Russo, Milt Bernhart, Bob Cooper, Shelly Manne and Laurindo Almeida. Among the new additions are the sensational trumpeter, Maynard Ferguson, and Carlos Vydal on congas. "I'm accepting arrangements from many new and unknown composers," Stan explained. "In the past Rugolo and I did most of the composing, but now we want contributions from every source."

Asked about the addition of strings and the large number of

will succeed. Whether or not you like his music, you can't help but admire Stan for his courage and convictions. *Words About Music* wishes him the very best of luck and success.

• • •

Louis Armstrong and his All-Stars hold forth at a concert-dance tonight at the Shrine convention hall. The affair is presented by Gene Norman and features Jack Teagarden, Cozy Cole and others. Understand Gene is working on a surprise attraction for this month.

Eddie DeSure's Oasis has suddenly gone all out in booking top attractions. Nellie Lutcher just closed there, King Cole and the Trio are now packing in the crowds. Big news, though, is the announcement of the Sarah Vaughan opening Feb. 15. More on Sarah in future columns.

Socially Speaking

by Doris Ray, club editor

A beginning is always difficult to make because whether you know it or not you are setting a precedent. Mainly I would like to acknowledge a few of the efforts made by students and faculty members in their efforts on behalf of State College, besides reporting the little sidelights happening in and around State.

The group which worked in registration, in my opinion, never are given enough credit, especially those that render their services sans fees. And while we're tossing bouquets I'd like to toss a big one to the members and pledges of Omega Alpha Delta, night school sorority, for the coffee and cookies they served to those poor souls who were registering Wednesday and Thursday night. . . . Thanks a lot gals.

Switching over to the "I didn't know he went to State College" department, my candidate for the day is Lary Alexander, a junior, majoring in education. Your reporter was lucky enough to be among the chosen few who cruised to Catalina last Friday on Larry's boat, the Maw Z, a 33-foot converted Coast Guard patrol boat. The ship, complete with telephone, is chartered out in the summer, but his friends are treated to excursions au gratis.

Right here and now I would like to congratulate the Peons for obtaining Mr. Peter Page of the Music Dept. as their sponsor. Mr. Page, besides having a terrific personality, is a top flight instructor and should be an able sponsor.

The Peons, newly formed social club for men have 11 active members. President is that gay man about town George Price, vice-president Bill Tamblin and treasurer is *College Times* Sports Ed. Bob Dittmar. They are listing as a current activity, a trip to the local cleaning establishment (turf to you who don't follow the ponies.) Well anyway, we're glad to see that State is becoming well organized.

If anyone is in possession of any information concerning engagements or marriages of State College students please contact me so we can acknowledge them.

Sororities plan co-rush affairs

Alpha Theta Pi and Delta Beta Sigma, State College social sororities, are planning their official rushing activities in coordination with each other this semester. It was decided earlier in the semester that the two organizations would work in conjunction with each other to avoid duplication on dates and activities. The teas will both be held on Sunday, February 12, with staggered hours, to allow the rushees to attend both. The informal affair of Delta Beta Sigma will be Tuesday evening, and that of Alpha Theta Pi will be on Wednesday. The Preference affairs will both be on Sunday.

It is hoped that further coordination in pledging activities can be planned.

Alpha Theta's SAM announces take cruise, ski plans, purposes

Alpha Theta Pi, State College social sorority, spent a busy weekend. Twelve members enjoyed a wonderful day sailing to Catalina and around the island. The glass bottom boat and horseback riding occupied the members during the day, and the return trip was made by moonlight. Following the cruise a spaghetti dinner was served by Dorothy Dyer's mother.

Saturday morning members of Alpha Theta Pi left for the cabin of Emily Haught for a weekend of skiing. There were no permanent casualties but some of the girls are bruised and battered, this being the first trial for many of the art of skiing.

Club announcements

El Circulo Fotografico, State College camera lovers, will hold a meeting next Monday night in the north end of Bungalow 2. All new members will be welcomed.

Camera enthusiasts planning to enter the photo contest please have their applications in by Friday at 4 p.m. to Miss Arnold in Ad 219. Theme of February's contest will be St. Valentine's Day. Rod McLendon is president of the organization and John MacDonald, vice-president.

There will be a meeting of the California Association of Health, Physical Education and Recreation at 12 noon in the student union dining room A.

The speaker will be Larry Houston. All new students who are majors in Physical Education and Recreation are invited to attend along with all old members. A lunch will be served at 65 cents. The date is Thursday, February 16, at noon.

ATTENTION — Today, February 9, 1950 El Circulo Espanol, the Spanish Club of Los Angeles State College, will hold its first meeting of the spring semester. The get-together will be held at 12 noon in B-46. Plans for the club's activities for the semester will be discussed. All LASC students interested in bettering their Spanish conversation are invited to attend.

Sigma Chi Alpha accounting fraternity will hold their elections for the spring semester next Tuesday. At the present moment it appears Dick Finne and Bernard Madwin are the main contestants.

Pledging begins in about two weeks with approximately 20 pledges to be considered. A rush smoker will be held to meet prospective new members. The Sigma Chi Alpha has 25 active members now and hold their meetings at 7:30 each Monday morning in the student union.

Important notice to all seniors!

There will be an important meeting Thursday, Feb. 16 at 12 noon in the auditorium. All seniors are excused from classes. Don't forget this date.

Society for the Advancement of Management, State College's business club will hold its bi-annual membership drive during the next two weeks. Membership is open to all men and women business students.

This is the student branch of the Los Angeles Chapter of the Society for the Advancement of Management, a national organization. The senior chapter is composed of a group of successful business men and executives who concern themselves with improving the quality of their profession. One of their activities is sponsoring the student chapters.

SAM is one of the largest organizations on campus, as well as one of the most active. There is always something on the agenda for the members, including field trips, dinner meetings, Senior chapter meetings, movies and socials.

All registered business students can consider this their personal invitation to join SAM. If you are interested in our program and wish to join, please go to Ad. 219 and have Miss Arnold put your name on the list. You will be contacted by a member and introduced to the other members.

Members of SAM are entitled to receive without charge the Society's monthly magazine, which ranks high among professional business magazines in the country.

Pitchfork sells

Sales of the *Pitchfork* were very encouraging during registration, according to Harry Hale, business manager.

A total of 400 annual subscriptions have been sold with a promise of 220 more during the rest of the semester. Many thanks are proffered to the Alpha Theta Pi's and the Phi Deltis for their wonderful cooperation during registration. The north end of Bungalow 2 will be open to future sales every day at 12 noon.

Professional "Aires"

Dear teacher

Would anyone mind if we repeat a rumor? The one that says elementary and secondary teachers are more numerous than jobs. A frightening thought at best, colleagues, but NOT one to worry about. Mrs. Marie Martin, State College director of admissions and a sponsor of CSTA assures us that "job prospects are exceedingly bright."

Here's a bit of cheer for those who might worry excessively about their directed teaching. Relax. Our students now in the second week of it inform us there is absolutely nothing to be terrified about. The principals and faculties are cordial and considerate — bent on helping you rather than merely criticizing. Sabelle Glass, doing her directed teaching at the Michel-torena School says ". . . everybody is so nice to us . . ." Lionel Bromberger at Marshall High agrees, and adds ". . . I was put at ease immediately and now I'm right in the swing of things."

Incidentally, State College is due to take its place as a major institution for the educating of teachers. And soon. Dr. Tonge tells us that at present we have between 135 and 150 students on elementary directed teaching assignments. That's three times as many as last semester, an speaks well for the future.

They are placed in seven city and seven county schools.

Dr. Tonge and Dr. Thomas—directors of student teaching for elementary and secondary schools—both rate a hearty ovation for the job they're doing. A large number were neatly placed in directed teaching schools in spite of red tape and sundry other heart-aches.

George Delaplane, public relations director of CSTA on campus lets us know that a survey is currently sent out to all members. It consists of 14 penetrating questions designed to find out the needs and interests of pre-teachers. With approximately 275 members now, the State College chapter of CSTA is eager to revitalize its program under the presidency of John MacDonald.

While we're at it, may we suggest that anyone in the education department who does not already belong to CSTA find out the organization's benefits. It is the professional organization built to serve and represent you here and throughout the state. Very worthwhile.

This education column will appear regularly, and we'd like to remind you that it's a good spot to voice any beefs, and any plaudits which you might have. So help yourselves.

*"My cigarette?
Camels,
of course!"*

WITH SMOKERS WHO KNOW... IT'S

Camels for Mildness!

Yes, Camels are SO MILD that in a coast-to-coast test of hundreds of men and women who smoked Camels—and only Camels—for 30 consecutive days, noted throat specialists, making weekly examinations, reported

NOT ONE SINGLE CASE OF THROAT IRRITATION DUE TO SMOKING CAMELS!

Green scores new mark

Setting a new school record of 34 points, Los Angeles State College's Dick Green paced the Diablos to a crushing 65-39 victory over La Verne College last Thursday night in the C. C. gym.

Green's record breaking total points were scored on 14 field goals and 6 free throws. Dick scored 28 of those points on 12 buckets and 4 foul tosses in the second half, to spark a rally which almost exploded the Green and Orange of La Verne off the court.

Believe it or not by Ripley, the visitors held a 24-20 lead at the half, and at one time during the first half La Verne led 21-11, and things looked mighty dim for the locals. Whatever State mentor Bill Shaw told the team in the dressing room at the intermission or came over Green is not known, whether the coach made him swallow an H bomb or not it doesn't matter. Dick tallied on tip-ins, hook shots, and from far out, he was unstopable.

The marked the second victory over La Verne this season. The Shawmen defeated them 49-42 earlier in the season, with Mr. Green clicking for 23 points which was the school record. In their first season of play forward Wayne Hanks hit for 21 points against Cal Poly of San Dimas; this was the record scoring until Green made his onslaught. Thus State has scored 3 wins in 4 starts over La Verne in their two seasons of play.

To make matters worse,

Coach Dwight Hanawalt's team played without the services of star guard and high scorer, Darryl Brandt, who suffered an ankle injury. However, it is very doubtful whether with Brandt or not that the Leopards could have emerged victorious.

One bright spot for the losers was the play of elongated center Bill O'Neill, who tallied 16 points.

Earlier last week John Furlong of Pepperdine hit for 32 points against Whittier, and Bill Sharman of USC did likewise against UCLA last month. Just in case Green would like to know the all-time NCAA major college scoring record for one game is 85 points made by Paul Arizin of Villanova last season. This included 35 field goals and 15 free throws. For small colleges the record is 87 points. Okay, Dick, it's all yours.

We were glad to see Fred Sutton sink a basket on a pass from Marv Gurian. Fred leaped up under the basket and dropped it through the nets. Okay, Westmont and Chapman, you're next on the list for the Shawmen.

LaVERNE (39) STATE (65)
 Colburn (4) F (8) Sparks
 Chavez (2) F (3) Gurian
 O'Neil (16) C (34) Green
 Peterson (3) G (6) Goorjian
 Guillen (0) G (7) M'Naught
 Halftime Score: State 20, La-Verne 24.

Scoring Subs: (LaVerne) — Landis 8, Hudson 2, Carter 2, Hepner 1. (State): Scott 5, Sutton 2.

Locals seek win over Chapman five

Following the Westmont game the Shawmen head back home to go up against their Vermont neighbors the Chapman Panthers. The game is Tuesday, February 14. Tip-off time will probably be around 8 p.m. The tiff will be in the Chapman gym.

Coach Don Perkins' quintet defeated State 57-43 earlier this season in the C.C. gym. Since that game State has come a long way. They dropped their first four collegiate games and have lost eight, making five wins and now copped five out of their seven defeats.

The Panthers dropped a pair to Oxy 41-31 and 57-52, then the L.A. Police swamped them 70-46, while State lost to Cops 47-44. Pasadena Nazarene fell before the Panthers 76-50. The Perkins five blasted Balboa 77-51, and defeated La Verne by some 30 points. Last week Chapman dropped a close 43-37 to the SCIC leader Redlands.

Any one of Chapman's players are capable of scoring heavily. Forwards Bob Manning and Dave Weatherill, Center Vern Melton, and Guards C. W. Murrel and Wayne Snell are the big Panther point getters. The game should be a high scoring affair with the Diablos pointing for a win with revenge in their eyes.

State upsets Santa Barbara five

Coach Dr. John W. Shaw's Black and Gold casaba cagers of Los Angeles State College scored their most prized victory in two years of competition, when they upset the Santa Barbara State Gauchos 56-52, last week in the City College gym. This reversed a 53-37 Gaucho win over State earlier this season.

FLASH

Paced by Dick Green and Ed Goorjian, 13 and 12 points respectively, Los Angeles State College rode to their 3rd straight win by defeating Cal Tech Tuesday afternoon 54 to 34 in the City College gym.

The locals were paced by big 6'4" Center Dick Green, who garnered 6 field goals and 5 free throws for 17 points. Bill McNaught tallied on a field goal and made good on all 7 of his free throws for 9 points. Center Gene Snyder and Guard Jim Moore were high for Santa Barbara with 11 and 10 points respectively.

Marv "Gooch" Gurian put the home team out in front with a basket on a nice pass from Ed Goorjian. The two quintets battled back and forth and at the end of about 7 minutes of play the teams were deadlocked at 15 all. The Devils moved out in front 23-18 on a basket by Leo Guzik, and continued to pull away as Wayne Scott's field goal made it 33-23 as the half ended.

The second half opened with Bob McCutcheon of Santa Barbara tallying quickly on two baskets racking up 33-27, and then Bill McNaught and Dick

Green increased the State lead to 43-31.

Dick Green sent the crowd a-buzzing when he tipped one in just like a 7-footer does or maybe a la Nat "Sweetwater" Clifton style of the famed Harlem Globetrotters. Hanks took a pass from Guzik to make it 49-34 and then later the speedy Mr. Hanks calmly sank a free throw to make it 50-39.

However, the Gauchos caught fire with Don Bradshaw and southpaw Gene Snyder clicking for 11 points between them to make it 50-48 for State with both rooting sections going stark raving mad. The play that broke the Gauchos' back came on an out of bounds pass by Ed Goorjian to ace forward Jack Sparks, who shot through the visitors' defense under the bas-

ket like a bullet to score a mighty important goal making it 52-48.

At this point, Gaucho Star Gene Snyder fouled out with 40 seconds to go as Marv Gurian set-up camp at the foul line, making it 53-48. With 32 seconds left Gurian got a 54-48 tally and at the 15 second mark, "Gooch" tabulated 55-50, and Ed Goorjian's free throw with 12 seconds remaining ended the scoring for State as the game ended 56-52 in a thriller.

S. BARBARA (52) STATE (56)
 McCutcheon (7) F (7) Sparks
 Scruggs (6) F (7) Guzik
 Snyder (11) C (17) Green
 Moore (10) G (5) Gurian
 Scott (2) G (1) Goorjian
 Halftime Score: State 33; Santa Barbara 23. Scoring Subs: (S. Barbara): Bradshaw 5; Moss 3; Hill 3; Jacobs 2; Kelso 3. (State): Scott 4; Hanks 5; Sutton 1; McNaught 9.

Bob Dittmar
Sports Editor

Attention baseball players! An important meeting will take place today at 3:30, in Bungalow I, according to Mr. Reeves, coach of the team.

At the first meeting, last Monday, only thirteen potentials answered the call of Coach Reeves. The team will play a schedule of twenty to twenty-five games and if I may quote the genial Mr. Reeves, "There is

no reason why we can't have twenty-five or thirty men out for this club."

A look into the past told me that there was no mention made in the *College Times* of the Miramar Navy-State cage tilt of two Saturdays ago at the local gym. The fliers from the border city outlasted our Diablos 61-56 in a real thriller with Al Chancellor and Bob Parks leading the way with 15 points each,

while Ed Goorjian upheld the locals with 12 counters to his credit. A thousand pardons for this oversight, please.

Center Dick Green has surged ahead of teammate Jack Sparks in the scoring race after bucketing 34 points against La Verne the other night. Big Dick is one of the most improved players I've seen in quite a while of kicking around. His work under the basket on tip-ins can be envied by a good many pros. Nice going Dick and keep it up.

In 12 college games, Green has dumped in 53 field goals and swished 12 gift tosses for a total of 130 points and a 10.8 average. Sparks has 35 from the floor and 32 free throws for 102 points and an 8.5 average, while Marv Gurian holds down the show spot with 24 field goals and 19 from the foul line for 66 points and a 5.6 average.

The idol of the local women, Jim "the old pro" Hanley, Wayne Hanks, "Smiley" Guzik, the walking Almanac, Arthur Hoffman and I were at the Pan

Monday night scouting Bowling Green for next year, as the classy boys from Ohio edged the Lions of Loyola 67-63.

The Lions bottled up 6'11" Charley Share so effectively that he was forced to retire from further competition late in the first half with but five points. However, little Bobby Long of the visitors played one of the greatest games that these eyes have ever witnessed. He made 23 points and was a play maker par excellence. Bowling Green is probably equipped with the smoothest fast-breaking offense in the nation today.
