

Prexy favors move, ROTC

Resolutions of the State Board of Education concerning State's move to another location and ROTC programs were discussed by President McDonald at his Tuesday press conference.

In consideration of the acquiring of a new location for LA State, Dr. McDonald stated before the Board, "Under the present situation wherein a unity of program is impossible, it is my recommendation to the Board that the colleges should separate."

After President McDonald made his report of the Los Angeles State College, the California State Board of Education unanimously passed a resolution whereby they would fully cooperate with the Los Angeles City Board of Education and the State Superintendent of schools in their plans to separate the two institutions.

"Teaching is the primary objective under any circumstance," said the President, "and we will do everything within our power to provide the student with a broad program of the highest quality."

He also stated that the college presidents had agreed to accept all ROTC programs under consideration for their various schools.

Plays presented by student directors

Special Projects class in conjunction with the drama direction class, are presenting two one-act plays tonight, Friday 13, in State College's central staging bungalow, BZ2.

Leonard Weksler is the student director of "The Game of Chess", a suspense drama by Kenneth Sawyer Goodman. Weksler has appeared in several college productions including "Pygmalion" and "The Show-Off".

His cast consists of William Milner as the aristocrat Alexis Alexandrovitch; Bobs Watson as the revolutionist Boris Ivanovitch Shamrayeff; Carl Fabrizio as Constantine; and Morrie Katz as the Footman.

Suzan Hill has selected Edna St. Vincent Millay's poetic parody on war, "Aria da Capo", as her directorial assignment. Miss Hill has appeared in "The House of Bernarda Alba" and is now enacting a part in "The Taming of the Shrew".

The parts of "Columbine" and "Pierrot" will be portrayed by La Verne Duncan and Jim Kirkwood. The two shepherds, "Thyrasis" and "Corydon", are Paul Carroll and Penrod Dennis, and Carl Fabrizio portrays the prompter, "Cothurnus".

The two projects were presented last night and will close following tonight's performances.

These plays are class projects, and only those enrolled in the drama courses and special guests are asked to attend.

Mr. Grant Shepard, drama department head, supervises the production.

Damacitas offer Miner, membership, spaghetti

There will be a meeting of Las Damacitas today at noon in B-1. Plans for a social to be held late in April will be discussed.

Las Damacitas will serve at the spaghetti dinner during Women's Week. They have named Bob Miner as their candidate for Crawl Along Clarence.

Applications for membership in Las Damacitas will soon be announced.

Girls to prove boys' inferiority

Monday is the day when State College women assume their rightful position as superior beings. The entire week will be devoted to the celebration of women's superiority over men.

Voting will take place all week for the title of "Crawl Along Clarence". A table will be set up outside B-C for voting.

The spaghetti feed will be held in the Student Union, on Wednesday evening, from 5:30 to 8:00. Entertainment for this party will be provided by the women's organizations.

Thursday afternoon's event will be the fashion show and tea to be held in the Student Union, from 3:30 to 5:30. State College coeds will model clothes from Lanz of California, Inc.

The climax of the week's events will be the "Cottons and Cord" Backwards dance. This dance will be held on Friday evening, from 8:30 to 12, at the Pasadena Athletic Club. The grand event of the evening will be the coronation of "Crawl Along Clarence".

The following candidates have been nominated by women's organizations: Bill Anton, Phrateres and Tri-Alpha; Dick Bell, Theta Pi; Marty Halperin, Zeta Tau Sigma; Chuck Smith, Delta Beta Sigma; and Bob Miner, Las Damacitas.

Fun, Frolic, Food planned for faculty picnic outing

State College faculty and staff are reminded of the joint picnic tomorrow from 11 a.m. to 5 p.m. at Griffith Park in Picnic Area 7. An afternoon of fun and recreation with plenty to eat has been planned by the committee working on the picnic.

Tickets for the event are 50 cents per adult, 25 cents per child, with a family maximum charge of \$1.50. Those who have not purchased tickets and would like to go may purchase them at the picnic as there will be enough food for all.

Attention politicians! Dates for filing petitions for all student-body and class offices are Monday, April 16 through Friday, April 20. Application must be made in B-G.

Art club to hear interior designer

The State College Art Club's first two lectures on the visual arts met with such success that four more guest speakers have been arranged for this semester.

Greta Magnusson Grossman, eminent Swedish designer will appear Friday, April 13, in Science Lecture Hall 201, to speak informally on the Contemporary Interior. Mrs. Grossman is design consultant to several Los Angeles firms including, Barker Bros., Ralph O. Smith and Sherman Bertram. Her own furniture is sold by leading stores throughout the United States.

Robert Niece, Art Club president, extends the club's invitation to all who are interested in fabrics, lamps, furniture, interiors, or architecture. Admission is free.

Newman holds dance

The Newman Club will hold its third bi-monthly dance this Sunday, at Newman Hall. The dance is open to all students on campus. It will start at 8 p.m. Admission is 25 cents.

"All Catholic students on campus and their friends are urged to attend the meetings," announced Joan Castellani, social chairman. "In this way they can keep up with all coming events and become active in the club," she added.

A picnic is scheduled for next Sunday, April 22.

The business meetings are held each Thursday at 11 a.m. Religious discussion is held at the same time on Tuesday.

Blood drive begins

Elaine Baron, chairman of the Red Cross Blood Drive, urges all students to sign up for appointments to donate their blood. Appointment cards may be obtained at the table in front of B-G, any day next week.

Trackmen meet Bruin, Waves

Coach Harry Campbell's Los Angeles State College tracksters step up a notch in competition this afternoon when they face UCLA, Los Angeles Athletic Club, and Pepperdine College at Westwood. First event is slated to start at 2:30.

Both the Diablos and Bruins are riding high following last week's impressive triumphs over San Diego State and Stanford, respectively.

Each event is loaded with talent, with the sprints, perhaps, overflowing a little: Here Bobbie Work (9.7s), and Rod Richard (9.8s) of UCLA; Tom Williams (9.7s) and Fred Sims (9.6s) of LASC; and Craig Dixon (9.7s) of the Club battle it out. The same field with equally impressive times performs in the furlong.

Stiff competition once again is the keynote in the quarter mile. State's Jim Bell, who ran a 49.9s race last week, will have his hands full when he again clashes with Pepperdine's Jerome Walters, and LAAC's Bill Parker.

The afternoon's outstanding

Poll to decide activities need

Dr. Floyd R. Eastwood, dean of men, announced that a poll will be taken Monday and Tuesday on the question of requiring purchase of student body activity cards.

The students effected would be \$10.00 and \$7.50 card holders. Such fees shall not be charged of students registering solely in extension courses, according to Dr. Eastwood.

The Law, Senate Bill 289, will be shortly acted on in State legislative. The colleges throughout California are required to send in the results of student polls to present to the legislature when the law is debated.

Power in determining the fee levied will rest with the State Director of Education, but the annual fee must not exceed \$25.00 or \$12.50 per semester. The money will be collected at the time of registration and transferred from the Business Manager to the Student body treasurer.

Long Beach State and San Jose State Colleges have already affirmed the law by large majorities.

Arguments

PRO—Student body activities supported by the money collected every semester from the students are so evident in the very life of the campus that it seems superfluous to list them, but here they are: Television show, dramatic productions, debating squad, athletics, all-school picnic, all school dance, "Pitchfork" (to \$10.00 card holders only, "Statement" (free to \$10.00 and \$7.50 card holders), and Student Directory.

Senior Class ditch day, dinner dance, Junior Prom, picnic, men's week, women's week, fund drives, rental bank, associated student supplies, lectures, Graduate Class, music, cultural programs, coffee hours, emergency loan funds (in dean's office), secretary services.

To carry on these essential activities vote yes in your class or at the booths on campus.

CON—"I can't afford the expense. I came to be educated only. I don't care about a football team. The fee plus books! Too much State control. Silly expense. The newspaper is dead.—?"

These are some of the statements heard against the fee. You decide.

Bob Barnes, editor

event could very well be the discus throw, where State's Cliff Davis once again runs into that rough duo from LAAC, Taylor Lewis and Sim Iness.

Lewis and Iness have both exceeded 160 feet but are under this mark for 1951. Davis, on the other hand, continues to show improvement and could very easily better his record toss of 152 feet 4 inches.

In the mile run, with UCLA's Don Hangan setting a hot pace, local ace Jim Strigle could unofficially break his 4m 38.2s standard which he recorded against the Aztecs. Hangan set a Bruin record against Stanford with a 4m 20s clocking.

A star studded field is entered in the 880. Foremost among these is Bob Chambers, member of United States' 1948 Olympic team, Bob Pruitt, Hugh Mitchell, Walters, holder of the national junior college half mile mark of 1m 53.7s, and Strigle.

Following this meet, LASC faces Cal Poly at San Luis Obispo next week.

Devil nine to host Mustangs in loop fray; Lions clipped 6-5

Conference horsehide action resumes today when Bud Wise's State hardball nine face a strong San Luis Obispo team in a CCAA game slated for 2 o'clock at Roosevelt Memorial Stadium.

The Diablos sport a conference record of one win and two losses, while the invaders have yet to meet a 2C2A foe. However, the Mustangs hold wins over LaVerne, 12-5; Pomona, 7-3; Occidental, 3-2; Cal Tech, 6-5; El Toro, 8-1;

Cook, 12-1. The Devils will attempt to even their season record of five wins, six losses, and a tie. Probable starting pitcher for State will be "Irish" Bob Mahoney, who holds a (1-1) league record. Mahoney threw a nifty six hitter against Santa Barbara, and was charged with the recent Pepperdine loss.

Starting infield for the Diablos will be Ray Morris, first; Bobby Guinn, second; Carl St. Johns, third; and Danny Means, short. Outfield duties will be handled by Jim Littier, left; Stan Oken, center; and Bud Mermer, right. Dave "Rabbit" Rosenfield will be behind the plate.

Monday afternoon the locals engage a strong La Verne squad in a practice tilt at Glendale.

Stan Oken hurls win

Timely hitting on the part of Bob Morris and Carl St. Johns, enabled a hustling Diablo baseball nine to edge the Loyola Lions 6-5, in a practice tilt played on the Lions' diamond, Monday.

Stan "the man" Oken went the route for the Devils giving up eleven hits and yielding two walks, although pitching well with men on base. Lion starter Bill Baur was charged with the defeat limiting the Diablos to four hits, while walking eight batters.

The losers took an early lead in the second stanza, when Frank Pendo walked, stole second and scored on a long fly to center. Morris scored for State in the third on a walk, a wild pitch, and a passed ball.

Pitcher Baur walked James Littier, Don U'Ren, and Bobby Guinn in the fourth, then Morris blasted a triple to drive in three runs and give State a 4-1 lead. Danny Means made it 5-1 in the sixth when he singled home Guinn.

With Oken on base in the seventh, St. John drove a towering triple to left field driving home the final State score of the game. Loyola added three counters in the eighth and ninth frames closing the gap to 6-5. Both sides played errorless ball.

All secondary education students who have applied for practice teaching for next summer or fall are to see Dr. Joseph Stanley next week. It is important that these applicants meet with Dr. Stanley in Ad. 221 sometime between Monday and Friday.

The Student Directory is now available in B-G. The Directory contains names, addresses, and phone numbers of all students. The supplement to last semester's edition is 10 cents; the entire Directory can be purchased for 25 cents.

Campus Interviews on Cigarette Tests

Number 17... THE OWL

"So I'm a wise guy — so what?"

"Speotyto cunicularia" — *Speo*, for short, majors in the classics. But in this case, he's dropped his Latin leanings and slings American slang with the best of them. He comes right out "cum loudly" whenever he voices his opinion on these quick-trick, one-puff cigarette tests. They're a snub to his high I.Q. He knows from smoking experience there's just one intelligent way to judge the mildness of a cigarette.

It's the sensible test . . . the 30-Day Camel Mildness Test, which simply asks you to try Camels as a steady smoke — on a pack-after-pack, day-after-day basis. No snap judgments needed. After you've enjoyed Camels — and only Camels — for 30 days in your "T-Zone" (T for Throat, T for Taste), we believe you'll know why . . .

More People Smoke Camels than any other cigarette!
